NOTICE OF INTENT TO AWARD CONTRACT THROUGH THE SOURCEWELL PURCHASING COOPERATIVE (FORMERLY NATIONAL JOINT POWERS ALLIANCE) TO JET VAC EQUIPMENT

Please take notice of the Western Monmouth Utilities Authority’s (the “Authority”) intent to award the following contract through the Sourcewell Purchasing Cooperative (formerly National Joint Powers Alliance) for the period of one year, at its January 28, 2020 Regular Board Meeting to Jet Vac Equipment for the procurement of a 900-ECO 9 Yard Truck Mounted Combined Sewer Cleaner.

The contract award is “not to exceed” $406,380.14 for the one-year term.

The Authority believes that Jet Vac Equipment meets the needs of the Authority for the required equipment. Further, the Authority has determined that it is more cost effective for the Authority to purchase said equipment from Jet Vac Equipment through the Sourcewell Purchasing Cooperative.

Any comments concerning this proposed contract award may be directed, in writing, to Katherine Leatherman, Purchasing Agent, Western Monmouth Utilities Authority, 103 Pension Road, Manalapan, NJ 07726 prior to the award of the contract.

The Authority will utilize this contract for the period from January 28, 2020 through January 28, 2021.

A copy of the resolution authorizing the award of the contract and a copy of the contract will be available at the offices of the Western Monmouth Utilities Authority during regular business hours after the Authority’s Regular Meeting on January 28, 2020.
